You are hereby notified that the Court has entered the following order:

No. 98-3008 Moran v. Wis. Dept. of Admin., et al. L.C.#97CV3308

The court has considered the court of appeals' request pursuant to Wis. Stat. § (Rule) 809.61 that this court accept the certification of this appeal. In that certification, the court of appeals noted a potential conflict of interests if the appeal were to be heard and decided by the supreme court or the court of appeals, as the decision would directly affect the salaries of the justices and judges of those courts, and suggested that a panel of reserve judges hear and decide the appeal.

IT IS ORDERED that the certification is refused and the chief justice of the supreme court is requested to designate and assign a panel of reserve judges to serve temporarily in the court of appeals to hear and decide the appeal in No. 98-3008.

Clerk of Supreme Court
